

5-year Review of Divisions

Note of explanation: The collection of division annual reports began in 1997. Reports for five years (1997, 1998, 1999, 2000 and 2001) will be used for the first 5-year review that will be done mid-year in 2002 for 10 divisions (1, 7, 13, 18, 23, 28, 33, 38, 43 and 48). Divisions 53 and 54 were established in 1999, Division 55 in 2000, therefore, Divisions 53 and 54 would become ready for review in 2004 and Division 55 in 2005. Those divisions have been entered in the schedule one-per-year
