\* Division 2 (Society for the Teaching of Psychology) will soon propose a bylaws change to its membership that will create the Graduate Student Teaching Association. The Association will have a steering committee made up of a chair, associate chair, a faculty advisor and 4 at-large members appointed by the President with the approval of the executive committee.

\*\* Division 38 (Health Psychology) has a Student Council comprised of students. One student is appointed by each member of the executive committee. The student appointed by the Division President serves as the Council chair during the presidential year.
