

Awards

Each year, Division 19 solicits nominations for a series of awards that are described below. Nominations are reviewed by the Division 19 Awards Committee, made up of the Past-President (Chair), President, and President-Elect. The Committee's recommendations are presented to the Executive Committee for approval.

To make a nomination, please submit a brief statement (300-500 words) that identifies the award and describes those aspects of the nominee's work that support the nomination. In addition, it would also be helpful to the Committee members, who may not be familiar with the nominee, if a brief bio of the nominee is included with the nomination.

Nominations should be submitted no later than April 15, 2005 to Paul Bartone (see contact information below). Awards will be presented at the 2005 APA Convention in Washington, DC. While desirable, it is not necessary for awardees to be present at the convention.

DIVISION OF MILITARY PSYCHOLOGY AWARDS

Robert M. Yerkes Award: This award is for significant contributions to military psychology by a non-psychologist. Prior awardees include General Max Thurman, Senator Daniel Inouye, and Ms. Elizabeth Dole.

John C. Flanagan Lifetime Achievement Award: This award recognizes career-long achievements in military psychology. These contributions may be in the form of excellence in research, service, product development, or administration that clearly reflects advancement of the profession of military psychology, improved effectiveness of military psychology systems, or service on behalf of the welfare of military personnel.

Charles S. Gersoni Military Psychology Award: This award is for outstanding contributions to military psychology. The award is made for excellence in research, service, product development, or administration that clearly reflects advancement of the profession of military psychology, improved effectiveness of military psychology systems, or service on behalf of the welfare of military personnel. Awardees may be individuals or a group of individuals whose contributions merit special recognition by Division 19.

Arthur W. Melton Early Achievement Award: This award is to recognize early career achievements in military psychology, normally within 5-10 years of entry into the field. These contributions may be in the form of excellence in research, service, product development, or administration that clearly reflects advancement of the profession of military psychology, improved effectiveness of military psychology systems, or service on behalf of the welfare of military personnel.
