

**Request for Time in the
Society for the Psychology of Women (APA Division 35) and
Association for Women in Psychology Suite (AWP)**

The Division 35/AWP suite serves as a place to hold meetings, network, share, and as a place for volunteers from both organizations to stay at a reduced rate. Division 35 and AWP currently share for volunteers from both organizations to stay at a reduced rate. Division 35 and AWP currently share financial support of the suite and each has access to half of the target of 17-20 programming hours. Because it is meant to be a “hospitality suite,” the two organizations decided that the remainder of the hours should be designated as “open time” for members to talk, network, relax, and get to know people in the organization. Div 35 & AWP decided that the events held in the suite should be primarily conversation hours and meetings of task forces and organizations rather than formal presentations.

These are all open sessions - mental health professionals and students are welcome to attend. There have been an increasing number of requests for suite time recently due in part to a reduction in the number of allocated to Division 35 in the main program. We try to accommodate all the requests that we can without going over the limit on number of programming hours.

Requesting time in the Division 35/AWP Suite

If you would like to request an hour of suite time for your feminist event, conversation hour, committee, or task force, please complete the form below and Submit it by December 15th. It is *very important* to give complete contact information. The final suite schedule is not created until after APA has scheduled its sessions.
