California State University Northridge
June 2, 2007

Registration: (Space is limited to 250 participants)

Most likely there will not be enough space for on-site registration.

Seven (7) CEU's for Psychologists, Social Workers, Psychiatrists, and Marriage and Family Therapists

Cost (Includes lunch and snacks)

Professionals \$150

Graduate Students \$75

Conference Registration: You can submit your information to register for the National Psychotherapy with Men Conference by:

1. Downloading the [CONFERENCE REGISTRATION FORM](#) ★
2. Send the completed registration form and registration fee via mail to the address indicated on the bottom of the form.

If you are registering after May 15th, please contact [Dr. Mark Stevens](#) to confirm there is still a space available.

Come learn from the experts about unique issues of male clients and ways to improve your psychotherapy skills with men! 2007 keynote speakers are:

- Dr. Aaron Rochlen about diagnosis and treatment of men with depression
- Dr. Anderson Franklin about engaging black men in psychotherapy
- See the flyer below for further info on sessions and symposiums.
