

NOTICE OF ACTIONS – ACCREDITATION STATUS
Commission on Accreditation
Fall 2011

The following serves as a notice of actions related to accreditation status taken by the Commission on Accreditation (CoA) of the American Psychological Association at its October 20-23, 2011 meeting. As a reminder, granting of accredited status is effective from the date of the site visit; thus, the year of the next site visit is calculated based on that date. This list does not include actions on programs that did not receive an accreditation decision (i.e., deferred for information or for cause), or programs who submitted other correspondence or interim reports for review at the Fall meeting. Definitions of all accreditation statuses can be found on pages 6-7 of the [Accreditation Operating Procedures](#).

The official listing of all accredited doctoral, internship, and postdoctoral programs appears in each December edition of the *American Psychologist*. An [electronic listing](#) of all currently accredited programs is also available.

DOCTORAL PROGRAMS

Granted Continued Accreditation

- Argosy University, Hawaii (Clinical PsyD)
 - *Next site visit 2016*
- Brigham Young University (Clinical PhD)
 - *Next site visit 2018*

*** In accordance with [Implementing Regulation D.8-2](#), these decisions are being made public although they are not yet considered final. These programs have 30 days from receipt of the decision letter to appeal the adverse decision. The adverse decision is not considered final until (1) 30 days after the program is notified of the decision and the program elects not to appeal, or (2) if the program elects to appeal the decision, after receipt of the appeal panel report if the appeal panel upholds the CoA's decision.*

For additional information about psychology accreditation or questions regarding this notice, please feel free to contact the APA Office of Program Consultation and Accreditation at (202) 336-5979 or apaaccred@apa.org.

Susan F. Zlotlow, Ph.D.
Director, Office of Program Consultation and Accreditation
