

Sessions on Aging Issues

APA Annual Convention

August 7-10, 2003

Please note: The information contained in this booklet is subject to change, given possible cancellations and rescheduling. Please check the Convention Program supplement available on-site at Toronto for the most up-to-date information. An attempt was made to make this document as comprehensive as possible. My apologies for any inadvertent omissions. Also, to limit the size of this document, only first authors are listed.

Thursday August 7th

11:00 AM - 11:50 AM

Session 1065

Invited Address: Neuroimaging and Aging

Metro Toronto Convention Centre Meeting Room 714B

Participant/1stAuthor

Cheryl L. Grady, PhD, Rotman Research Institute, Toronto,
Use of Functional Neuroimaging to Study Cognitive Aging

12:00 PM - 1:50 PM

Session 1136

Symposium: Personality Growth---Measurement, Trajectories, and Facilitation

Metro Toronto Convention Centre Meeting Room 711

Chair: Ursula M. Staudinger, PhD, Dresden University,

Participant/1stAuthor

Gisela Labouvie-Vief, PhD, Wayne State University

Dynamic Integration of Affect and Cognition and Pathways of Personality
Development

Participant/1stAuthor

Jessica Doerner, MA, Dresden University,

Personality Growth From the Inside

Participant/1stAuthor

Brent W. Roberts, PhD, University of Illinois at Urbana--Champaign

Social Investment Model of Adult Personality Trait Development

Participant/1stAuthor

Charlotte Mickler, MA, Dresden University,

Measuring and Facilitating Self-Related Wisdom

Discussant

Karen Hooker, PhD, Oregon State University

1:00 PM - 1:50 PM

Session 1165

Paper Session: Blue Ribbon Awards

Metro Toronto Convention Centre Meeting Room 718A

Chair, Mark W. Bondi, PhD, VA Health Care System, San Diego, CA
Participant/1stAuthor
Stephan Kennepohl, PhD, Independent Practice, Montreal,
African American Acculturation and Neuropsychological Testing Following
Traumatic Brain Injury
Participant/1stAuthor
Desiree Byrd, PhD, Columbia University in the City of New York
Neuropsychological Test Performance Among Caribbean and American Black
Elderly
Participant/1stAuthor
Keith O. Yeates, PhD, Ohio State University
Short- and Long-Term Social Outcomes Following Pediatric Traumatic Brain
Injury

1:00 PM - 2:50 PM

Session 1173

Invited Address: Aging, Attention, and Memory--I

Metro Toronto Convention Centre Meeting Room 701B

Participant/1stAuthor

Moshe Naveh-Benjamin, PhD, University of Missouri--Columbia
Cognitive Mechanisms Underlying Memory in Aging and Under-Divided
Attention

Participant/1stAuthor

Morris Moscovitch, PhD, University of Toronto,
Aging, Divided Attention, and Memory: A Cognitive Neuroscience Approach

Session 1175

Symposium: Mental Health Service Delivery in Long-Term Care Settings

Metro Toronto Convention Centre Meeting Room 205D

Cochairs: Robert C. Intrieri, PhD, Western Illinois University

Erlene Rosowsky, PsyD, Harvard Medical School

Participant/1stAuthor

Erlene Rosowsky, PsyD, NONE

Overview of the Mental Health Needs of Older Adults

Participant/1stAuthor

Joseph M. Casciani, PhD, Senior Psychology Services, San Diego, CA

Unmet Need for Mental and Behavioral Health Treatment

Participant/1stAuthor

Leon Hyer, EdD, University of Medicine and Dentistry of New Jersey

Need to Be Interdisciplinary

Participant/1stAuthor

Margaret P. Norris, PhD, Independent Practice, College Station, TX

Expanding to Long-Term Care: Recognizing Unique Characteristics and
Training Needs

2:00 PM - 2:50 PM

Session 1198

Symposium: Research Developments in Geriatric Suicide

Metro Toronto Convention Centre Meeting Room 715B

Chair, Marnin J. Heisel, PhD, University of Rochester School of Medicine
and Dentistry

Participant/1stAuthor

Paul R. Duberstein, PhD, University of Rochester School of Medicine and Dentistry
New Findings on the Psychosocial Context of Suicide in Middle and Older Age

Participant/1stAuthor

Kenneth R. Conner, PsyD, University of Rochester School of Medicine and Dentistry

Aggression in Suicide Among Adults Ages 50 and Over

Discussant

James R. Rogers, PhD, University of Akron

Session 1202

Poster Session: Cognition, Depression, and Functional Abilities

Metro Toronto Convention Centre Exhibit Hall

Participant/1stAuthor

Jason C. Allaire, PhD, Penn State University Park

Factorial Invariance of Mental Abilities in a Cognitive Intervention Trial

Participant/1stAuthor

Albina Bondar, MA, Max--Planck Institute for Human Dev and Education, Berlin

Balance and Cognition: Can Young and Older Adults Control Resource Allocation?

Participant/1stAuthor

Nancy J. Osgood, PhD, Virginia Commonwealth University

ISDB and Older Adult Suicide: Psychologists' Assessment of Risk Factors

Participant/1stAuthor

Yiwei Chen, PhD, Bowling Green State University

Age Differences in Correction of Context-Induced Biases: Timing of Accountability

Participant/1stAuthor

Laurie Z. Darling, BA, University of Alabama at Birmingham

Executive Function and Everyday Functioning in Community-Dwelling Older Adults

Participant/1stAuthor

Kristie L. Earnheart, BA, University of North Texas

Older Adult Cancer Patient Disability and Spousal Depression

Participant/1stAuthor

Anne B. Edwards, PhD, Purdue University Calumet

Indicators of Change in ADL Impairment Among Community Dwelling Elderly

Participant/1stAuthor

Katherine L. Fiori, BS, University of Michigan--Ann Arbor

Social Support and Depression: Efficacy as a Mediator

Participant/1stAuthor

Nathan M. Franus, MS, University of Rochester School of Medicine and Dentistry

Social Support and Depression in Spouses of Lung Cancer Patients

Participant/1stAuthor

Danielle D. Gagne, MA, University of New Hampshire

Proactive Interference and Memory Monitoring Among Younger and Older Adults

Participant/1stAuthor

Douglas D. Garrett, No Degree, University of Victoria,

Cause of Death Versus Education in Relation to Diagnostic Status

Participant/1stAuthor

Cassandra M. Germain, BA, North Carolina State University

Aging and Selective Attention: Effects of Personal Relevance on Distractibility

Participant/1stAuthor
Shannon L. Gould, MS, University of Medicine and Dentistry of New Jersey
Predictors of Caregiver Burden and Depression Among Dementia Patients

Participant/1stAuthor
Deborah S. Heiser, PhD, Isabella Geriatric Center, New York, NY
Depression Identification in Nursing Homes: GDS Versus MDS Treatment
Outcomes

Participant/1stAuthor
Tantina B. Hong, PhD, Penn State University Park
Subjective and Objective Evaluations of Health in the Oldest Old

Participant/1stAuthor
Lauren E. Innes, BA, University of North Texas
Cognitive Functioning and Activities of Daily Living in Older Adults

Participant/1stAuthor
Marilyn Katell, MA, Nova Southeastern University
Neuropsychological and Daily Tasks in Dementia and Mild Cognitive
Impairment

Participant/1stAuthor
Ronald R. Martin, PhD, University of Regina,
Factors Influencing Information--Participation Needs of Older Women in
Medical Scenarios

Participant/1stAuthor
Benjamin T. Mast, PhD, University of Louisville
Vascular Depression Hypothesis: Moderating Effects of Age

Participant/1stAuthor
Jill S. Miller, MA, University of Colorado at Colorado Springs
Suicidal Ideation: Links to Clinical Symptoms and Personality Disorder
Features

Participant/1stAuthor
Daniel G. Morrow, PhD, University of Illinois, Savoy
Patient-Centered Instructions Improve Patients' Knowledge of CHF
Medications

Participant/1stAuthor
Julie H. Patrick, PhD, West Virginia University
Age Effects in Decision Making Processes and Outcomes

Participant/1stAuthor
Amy E. Roth, MS, Penn State University Park
Older Couples' Control Beliefs Regarding Intellectual Competence

Participant/1stAuthor
Gregory C. Smith, EdD, Kent State University
Interrelationships of Health, Agency, Mastery, and Depression in Older
Females

Participant/1stAuthor
Elizabeth A.L. Stine-Morrow, PhD, University of Illinois at Urbana-
Champaign
Aging and the Self-Regulation of Reading

Participant/1stAuthor
Jennifer Tolman, MS, University of Utah
Psychosocial Adaptation to Vision Loss in Older Adults

Participant/1stAuthor
Ayako Tsurumi, BS, University of North Texas
Relationship Between Cognitive Functioning and Activities of Daily Living
in Older Adults

Participant/1stAuthor
David E. Vance, PhD, University of Alabama at Birmingham
Competing Hypotheses of Physical Activity on Cognitive Health in Elders

Participant/1stAuthor

David E. Vance, PhD, University of Alabama at Birmingham
Path Analysis of Driving Exposure and Avoidance in Older Adults
Participant/1stAuthor
Mo Wang, BS, Bowling Green State University
Age Differences in Flexible Correction Processes of Social Judgment
Participant/1stAuthor
Robin L. West, PhD, University of Florida
Goals, Memory, and Aging: Effects of Negative and Positive Feedback
Participant/1stAuthor
Stacey B. Whitbourne, MA, Brandeis University
Promoting Exercise in Older Adults: Positive and Negative Message Frames
Participant/1stAuthor
Patricia L. Farrell, PsyD, Allied Services Rehabilitation Hospital,
Scranton, PA
Acceptability of Depression Treatment Options Among Older Adult Veterans
Participant/1stAuthor
Mark Brennan, PhD, Lighthouse International, New York, NY
Hearing Problems Increase Depression in Older Adults With Visual Impairment
Participant/1stAuthor
Mark Brennan, PhD, Lighthouse International, New York, NY
Sensory Impairment, Race, and Cognitive Function in Older Adults
Participant/1stAuthor
Brian P. Yochim, MA, Wayne State University
Vascular Burden, Disability, and Mental Health Among Older African
Americans
Participant/1stAuthor
Ryan P. Bowles, MA, University of Virginia
Age Relations and Processing Components of Synonyms and Antonyms
Participant/1stAuthor
Ann Pearman, MA, Washington University in St. Louis
Predictors of Memory Complaints in Older Adults
Participant/1stAuthor
Deann L. DelRio, BA, University of California--Berkeley
Conventional Verbal Working Memory and Online Syntactic Processing W. Age
Participant/1stAuthor
Michiko Iwasaki, MA, Ball State University
Growing Older: College Students' Views of Aging and Successful Aging

Session 1205

Invited Address: Discrete Memory Processes Within the Frontal Lobes

Metro Toronto Convention Centre Reception Hall 104C

Chair: Antonio E. Puente, PhD, University of North Carolina at Wilmington

Participant/1stAuthor

Donald T. Stuss, PhD, Baycrest Centre for Geriatric Care, Toronto,

2:00 PM - 3:50 PM

Session 1231

Symposium: New Directions in Health Psychology Research

Metro Toronto Convention Centre Constitution Hall 105

Chair: Francis J. Keefe, PhD, Duke University Medical Center

Participant/1stAuthor

Robert M. Kaplan, PhD, University of California--San Diego

Effects of Changing Diagnostic Thresholds on Health and Health-Care Costs

Participant/1stAuthor

Annette L. Stanton, PhD, University of California--Los Angeles

Research Directions in Understanding Adjustment to Cancer
Participant/1stAuthor
Alan J. Christensen, PhD, University of Iowa
Irrational Health Appraisals: An Alternative View of Cognition and Health
Participant/1stAuthor
Shari R. Waldstein, PhD, University of Maryland Baltimore County
Relation of Hypertension to Cognitive Function

Session 1234

Symposium: Pathways to Success-Professional Development Through the Career Span

Metro Toronto Convention Centre Summit Room 204

Chair: Alan D. Entin, PhD, Richmond, VA

Participant/1stAuthor

Abigail L. Skillman, MS, Loyola College

Perspectives and Reflections of a Graduate Student

Participant/1stAuthor

Mary Bradshaw, MS, Medical College of Virginia

Perspectives and Reflections of an Predoctoral Intern

Participant/1stAuthor

Monica L. Neel, PsyD, Johns Hopkins Bayview Medical Center, Baltimore, MD

Perspectives and Reflections of a Postdoctoral Fellow

Participant/1stAuthor

Jeffrey E. Barnett, PsyD, Independent Practice, Arnold, MD

Perspectives and Reflections of a Midcareer Psychologist

Participant/1stAuthor

Alan D. Entin, PhD

Perspectives and Reflections of a Senior Psychologist

3:00 PM - 3:50 PM

Session 1239

Presidential Address: Aging, Attention, and Memory--II

Metro Toronto Convention Centre Meeting Room 701B

Participant/1stAuthor

David A. Balota, PhD, Washington University in St. Louis

Attention and Memory in Healthy Aging and in Alzheimer's Disease

Session 1259

Invited Address: Memory and the Temporal Lobes Revisited

Metro Toronto Convention Centre Reception Hall 104C

Chair: Kathleen Y. Haaland, PhD, VA Health Care System, Albuquerque, NM

Participant/1stAuthor

Brenda Milner, PhD, Montreal Neurological Institute,

Memory and the Temporal Lobes Revisited

Friday August 8th

8:00 AM - 8:50 AM

Session 2003

Symposium: Speaking GPE-ese---Enhancing Intern Interdisciplinary and Cultural Competence

Metro Toronto Convention Centre Meeting Room 802A

Chair: Jason D. Williams, PsyD, Childrens Hospital, Los Angeles, CA

Participant/1stAuthor

Kelly Tonelli, PsyD, Childrens Hospital, Los Angeles, CA

Meeting the Qualification: BHP and CHLA

Participant/1stAuthor

Melissa C. Carson, PsyD, Childrens Hospital, Los Angeles, CA

Addressing the Needs of an Underserved Population

Participant/1stAuthor

Barbara L. Bentley, PsyD, Childrens Hospital, Los Angeles, CA

Future Directions for Psychology Internship Training Programs

Participant/1stAuthor

Bradley O. Hudson, PsyD, University of Southern California

Program to Enhance Cultural Competence Within a Pediatric Psychology Internship

Session 2006

Symposium: Prevention and Treatment of Dementia and Depression in Older Adults

Metro Toronto Convention Centre Meeting Room 717B

Chair: Paula Hartman-Stein, PhD, Center for Healthy Aging, Kent, OH

Participant/1stAuthor

Forrest R. Scogin, PhD, University of Alabama

Science and Practice of Depression Treatment With Older Adults

Participant/1stAuthor

Robert S. Wilson, PhD, Rush Alzheimer's Disease Center, Chicago, IL

Cognitive Activity and Risk of Alzheimer's Disease

Participant/1stAuthor

Michael Marsiske, PhD, University of Florida

Improving Cognition in Older Adults

Discussant

Paula Hartman-Stein, PhD

9:00 AM - 9:50 AM

Session 2074

Symposium: Revenue Enhancement Under Medicare---Coding, Documentation, and Passing Audits

Metro Toronto Convention Centre Meeting Room 717B

Chair: Paula Hartman-Stein, PhD, Center for Healthy Aging, Kent, OH

Participant/1stAuthor

James Georgoulakis, PhD, APC Advisory Groups, Inc., San Antonio, TX

Understanding Reimbursement and CPT Coding for Psychologists

Participant/1stAuthor

Donna Rasin-Waters, PhD, Gerontology Resources, Inc., Brooklyn, NY

Voluntary Compliance Procedures: Developing Models for Solo Practitioners

Discussant

Antonio E. Puente, PhD, University of North Carolina at Wilmington

11:00 AM - 11:50 AM

Session 2129

Invited Address: Presidential Program: Aging and False Memory: Exploring Mark Twain's Conjecture

Metro Toronto Convention Centre Meeting Room 716B

Chair: Endel Tulving, PhD, Rotman Research Institute, Toronto,
Participant/1stAuthor

Henry L. Roediger III, PhD, Washington University in St. Louis
Aging and False Memory: Exploring Mark Twain's Conjecture

11:00 AM - 12:50 AM

Session 2137

Symposium: Over-Medicalization of Professional Psychology---Issues and Concerns

Metro Toronto Convention Centre Meeting Room 203B

Chair: Ruperto M. Perez, PhD, University of Florida
Participant/1stAuthor

Forrest R. Scogin, PhD, University of Alabama
Underuse of Evidence-Based Psychological Interventions With Older Adults
Participant/1stAuthor

Carolyn Vash, PhD, NONE, Altadena, CA
Viewing Disability Through Differing Lenses: Medical, Political, and
Psychological
Participant/1stAuthor

Ronald T. Brown, PhD, Medical University of South Carolina
Medicalization of Children's Behavioral Problems: Patterns and Perils

12:00 PM - 12:50 AM

Session 2154

Thematic Programming Symposium: Graying of the Globe---International Issues in Aging

Metro Toronto Convention Centre Meeting Room 801A

Chair: Gloria B. Gottsegen, PhD, City University of New York
Participant/1stAuthor

Florence L. Denmark, PhD, Pace University New York Campus
Women and Aging
Participant/1stAuthor

Norman Abeles, PhD, Michigan State University
Future of Aging Worldwide
Participant/1stAuthor

Peter R. Walker, PhD, NONE, Riverside, CT
Problems Without Borders: The World's Aging Population and Their Home
Environments

1:00 PM - 1:50 PM

Session 2176

Discussion: International Perspectives on Aging

Metro Toronto Convention Centre Meeting Room 205D

Cochair

Florence L. Denmark, PhD, Pace University New York Campus

Cochair

Norman Abeles, PhD, Michigan State University

Session 2184

Thematic Programming Symposium: Aging and Technology---Create Opportunities

Metro Toronto Convention Centre Meeting Room 801B

Chair: Neil Charness, PhD, Florida State University

Participant/1stAuthor

Sara J. Czaja, PhD, University of Miami School of Medicine

Future Workplace and the Older Worker

Participant/1stAuthor

Neil Charness, PhD, NONE

Input Modes That Minimize Age Differences in Performance

Participant/1stAuthor

Wendy A. Rogers, PhD, Georgia Institute of Technology

Understanding Age-Related Training Principles for the Development of a System Mental Model

Session 2185

Thematic Programming Symposium: Health and Behavior Assessment and Intervention Codes

Metro Toronto Convention Centre Constitution Hall 105

Chair: Diane M. Pedulla, JD, APA Office of Government Relations

Participant/1stAuthor

Antonio E. Puente, PhD, University of North Carolina at Wilmington

Development of the Health and Behavior Assessment and Intervention Codes

Participant/1stAuthor

James Georgoulakis, PhD, APC Advisory Groups, Inc., San Antonio, TX

Billing Under the Health and Behavior Assessment and Intervention Codes

Participant/1stAuthor

Diane M. Pedulla, JD, NONE

Reimbursement for Services Under the Codes by Medicare and Private Insurers

2:00 PM - 2:50 PM

Session 2195

Invited Address: M. Powell Lawton Award for Distinguished Contributions to Clinical Geropsychology

Metro Toronto Convention Centre Reception Hall 104D

Chair: Paula Hartman-Stein, PhD, Center for Healthy Aging, Kent, OH

Participant/1stAuthor

Robert Kastenbaum, PhD, Arizona State University

Lillian Remembers: An Episode on Ward 211

2:00 PM - 3:50 PM

Session 2237

Symposium: Health Promotion and Illness Management in Older Couples and Families

Metro Toronto Convention Centre Meeting Room 206F

Chair: Melissa M. Franks, PhD, Wayne State University

Participant/1stAuthor

Melissa M. Franks, PhD, NONE

Spousal Involvement in Patients' Cardiac Rehabilitation

Participant/1stAuthor

Joan S. Tucker, PhD, Rand, Santa Monica, CA

Age-Related Differences in the Social Control of Health Behaviors

Participant/1stAuthor

Sean P. Meegan, PhD, Western Illinois University
Interdependence, Affect, and Relationship Feelings in Couples' Health-
Related Life Tasks

Participant/1stAuthor

Erin Fekete, MA, Cleveland State University
Spousal Involvement in Older Patients' Recovery From Orthopedic Surgery

Participant/1stAuthor

James Coyne, PhD, University of Pennsylvania
Spousal Expressed Emotion in Couples Confronting Chronic Heart Failure
Discussant

Karen S. Rook, PhD, University of California--Irvine

Session 2244

Symposium: Infusing the Introductory Psychology Course With Diversity Content

Metro Toronto Convention Centre Meeting Room 705

Chair: Joseph E. Trimble, PhD, Western Washington University

Participant/1stAuthor

Judith P. Worell, PhD, University of Kentucky

Participant/1stAuthor

Anju Khubchandani, MA, APA Office on Disability Issues, Washington, DC

Participant/1stAuthor

Michael R. Stevenson, PhD, Ball State University

Participant/1stAuthor

Susan K. Whitbourne, PhD, University of Massachusetts

Participant/1stAuthor

Tresmaine R. Grimes, PhD, Iona College

Participant/1stAuthor

Lisa A. Whitten, PhD, State University of New York College at Old Westbury

Participant/1stAuthor

Bertha G. Holliday, PhD, APA Office of Ethnic Minority Affairs,
Washington, DC

Session 2248

Symposium: Aging Mind Across Cultures

Metro Toronto Convention Centre Meeting Room 718A

Chair: Denise C. Park, PhD, University of Illinois at Urbana--Champaign

Participant/1stAuthor

Trey Hedden, PhD, Institute for Social Research, Ann Arbor, MI
Measuring Cognition Across Age and Culture Groups

Participant/1stAuthor

Carolyn Yoon, PhD, University of Michigan--Ann Arbor

Category Norms as a Function of Culture and Age

Participant/1stAuthor

Angela Gutches, MS, University of Michigan--Ann Arbor

How Does Culture Affect Age-Related Changes in the Categorical
Organization of Memory?

Participant/1stAuthor

Cui Yao, PhD, Chinese Academy of Sciences, Beijing,
Working Memory, Context Processing, and Aging in a Chinese Sample

Participant/1stAuthor

Chi-yue Chiu, PhD, University of Illinois at Urbana--Champaign
Age-Based Rejection Sensitivity and Psychological Health of Hong Kong
Older Adults

Participant/1stAuthor

Aysecan Bodoroglu, MS, University of Michigan--Ann Arbor
Metamemory and Aging: A Comparison of American and Chinese Cultures

Participant/1stAuthor
Denise C. Park, PhD
Developing a Cultural Neuroscience of Aging

4:00 PM - 4:50 PM

Session 2292

Division 12 - Section II Presidential Address: Mental Health Interventions in Long Term Care Settings

Metro Toronto Convention Centre Meeting Room 711
Participant/1stAuthor
Victor Molinari, PhD, University of South Florida

Session 2298

Invited Address: Developmental Health Award

Metro Toronto Convention Centre Meeting Room 206F
Chair: Mary Ann P. Stephens, PhD, Kent State University
Participant/1stAuthor
Richard Schulz, PhD, University of Pittsburgh

Session 2308

Symposium: Double Standard of Aging? Questions, Emerging Issues and Implications

Metro Toronto Convention Centre Meeting Room 705
Chair
Mary E. Kite, PhD, Ball State University
Participant/1stAuthor
Silvia S. Canetto, PhD, Colorado State University
Stereotypes of Aging: When Gender Outweighs Age
Participant/1stAuthor
Alison Chasteen, PhD, University of Toronto,
Aging, Gender, and Age-Based Intergroup Relations
Participant/1stAuthor
Susan K. Whitbourne, PhD, University of Massachusetts
Identity and Aging: A Particular Challenge for Women
Discussant
Margaret Matlin, PhD, State University of New York College at Geneseo

4:00 PM - 5:50 PM

Session 2331

Symposium: Normative Neuropsychology and Diagnostic Validity in Caucasian and African American Elders

Metro Toronto Convention Centre Meeting Room 801A
Chair: John A. Lucas, PhD, Mayo Clinic, Jacksonville, FL
Participant/1stAuthor
Robert J. Ivnik, PhD, Mayo Clinic, Rochester, MN
Lessons in Normative Neuropsychology From Mayo's Older Americans Normative Studies
Participant/1stAuthor
Glenn E. Smith, PhD, Mayo Clinic, Rochester, MN, Diagnostic Validity
Participant/1stAuthor
John A. Lucas, PhD
Normative Neuropsychology and Diagnostic Validity in Older African Americans
Discussant:
Jennifer J. Manly, PhD, Columbia University in the City of New York

Saturday August 9th

8:00 AM - 8:50 AM

Session 3015

Workshop: Neuropsychological Approaches to Prediction of Alzheimer's Disease

Metro Toronto Convention Centre Meeting Room 718A

Chair: Mary C. Tierney, PhD, University of Toronto,

Participant/1stAuthor

Kathleen A. Welsh-Bohmer, PhD, Duke University School of Medicine

Defining Prodromal Alzheimer's Disease and the Factors Modifying Its Trajectory

Participant/1stAuthor

Daphne M. Geslani, MS, Sunnybrook and Women's College Health Sciences Centre, Toronto,

Construct of Mild Cognitive Impairment and the Prediction of Alzheimer's Disease

Participant/1stAuthor

Mark W. Bondi, PhD, University of California--San Diego School of Medicine

Evidence of Compensatory Mechanisms in Elderly at Risk for Alzheimer's Disease

Participant/1stAuthor

Glenn E. Smith, PhD, Mayo Clinic, Rochester, MN

Is Early Detection of Dementia Truly Early?

Discussant

Philip S. Fastenau, PhD, Indiana University Center for Aging Research, Indianapolis

Session 3017

Paper Session: Emerging Issues in Family Psychology

Metro Toronto Convention Centre Meeting Room 203B

Participant/1stAuthor

Patricia Pitta, PhD, St. John's University

Parenting Elderly Parents: A Struggle for Power, Life, and Assistance

Participant/1stAuthor

David B. Seaburn, PhD, University of Rochester

Sudden Health: Impact on Families of Corrective Surgery for Epilepsy

Participant/1stAuthor

Daniel J. Potoczniak, MS, University of Miami

Perceptions and Experiences: Adolescents' Disclosure of Sexual Orientation to Family-of-Origin

8:00 AM - 9:50 AM

Session 3024

Symposium: End-of-Life Care---An Emergent Field for Psychology

Metro Toronto Convention Centre Meeting Room 713B

Chair: Julia E. Kasl-Godley, PhD, VA Health Care System, Palo Alto, CA

Participant/1stAuthor

Dale G. Larson, PhD, Santa Clara University

Roles for Psychology in End-of-Life Care

Participant/1stAuthor

William E. Haley, PhD, University of South Florida

End-of-Life Issues in Older Adults
Participant/1stAuthor
Julia E. Kasl-Godley, PhD, VA Health Care System, Palo Alto, CA
Education and Training Issues in End-of-Life Care
Participant/1stAuthor
James Breckenridge, PhD, VA Health Care System, Palo Alto, CA
Access to End-of-Life Care: A VA Example
Discussant
Paula Hartman-Stein, PhD, Center for Healthy Aging, Kent, OH

9:00 AM - 9:50 AM

Session 3066

Symposium: Important Group Treatment Findings

Metro Toronto Convention Centre Meeting Room 205C

Chair: Catherine Classen, PhD, Stanford University School of Medicine

Participant/1stAuthor

Laury K. Paul, BA, NONE, Forest Hills, NY

Group Therapy With Chronically Ill Elderly Individuals: Benefits and Challenges

Participant/1stAuthor

Catherine Classen, PhD, Stanford University School of Medicine

Comparing Group Therapies for CSA Survivors at Risk for HIV

Participant/1stAuthor

Charissa C. Camp, PhD, University of Memphis

Interpersonal Process Group for Shyness: Screening, Delivery, and Benefits

9:00 AM - 10:50 AM

Session 3075

Symposium: Case for Collaboration in Ethnic Minority Aging Research

Metro Toronto Convention Centre Meeting Room 706

Chair: Kim Nickerson, PhD, APA Minority Fellowship Program, Washington, DC

Participant/1stAuthor

Andrew Cislo, BA, Mather Institute on Aging, Evanston, IL

Hispanic American Aging

Participant/1stAuthor

Breonte Guy, BS, University of Richmond

African American Aging

Participant/1stAuthor

Michiko Iwasaki, MA, Ball State University

Japanese American Aging

Participant/1stAuthor

Raza Mirza, AA, University of Toronto,

South Asian Canadian Aging

Discussant

James M. Jones, PhD, APA Minority Fellowship Program, Washington, DC

10:00 AM - 10:50 AM

Session 3104

**Symposium: Psychology Across the Life Span in Urban Health Care Centers---
Challenges and Opportunities**

Metro Toronto Convention Centre Meeting Room 701B

Chair: Robert A. DiTomasso, PhD, Philadelphia College of Osteopathic
Medicine

Participant/1stAuthor

Rosemary B. Mennuti, EdD, Philadelphia College of Osteopathic Medicine
Helping Children in Urban Health Care Centers: Practice Opportunities

Participant/1stAuthor

Barbara A. Golden, PsyD, Philadelphia College of Osteopathic Medicine
The Adult in Urban Health Care Centers: Practice Opportunities

Participant/1stAuthor

Bruce S. Zahn, EdD, Philadelphia College of Osteopathic Medicine
Older Adults in Urban Health Care Centers: Challenges and Opportunities

Discussant

Jeffery McCleary, MA, Philadelphia College of Osteopathic Medicine

Session 3112

Poster Session: Adult Development and Aging---Personality, Families, and Wisdom

Metro Toronto Convention Centre Exhibit Hall

Participant/1stAuthor

Natalie C. Ebner, MA, Max--Planck Institute for Human Development and
Education, Berlin

Win or Don't Lose: Age Differences in Personal Goal Focus

Participant/1stAuthor

Sara L. Weisenbach, MS, Colorado State University
Stereotypes of Older Women, Men, and Persons: An Open-Response Study

Participant/1stAuthor

Sean C. Cameron, MA, Wilfrid Laurier University, Waterloo,
Family Politics: Gender Patterns in Midlife Generative Commitments Across
Domains

Participant/1stAuthor

Susan G. Harris, MS, University of Nevada, Reno
Coping, Life Stress, and Self-Concept Among Low-Income Older Adults

Participant/1stAuthor

Thomas A. Martin, PhD, Susquehanna University
Age Differences in Personality Traits: Czech and Russian Findings

Participant/1stAuthor

Jamila Bookwala, PhD, Lafayette College
Psychosocial Costs of Receiving Informal Assistance in Late Adulthood

Participant/1stAuthor

Cara J. Rice, MA, Stanford University
Influence of Perceived Temporal Context on Work Preferences

Participant/1stAuthor

Norm O'Rourke, PhD, Simon Fraser University at Harbour Centre, Vancouver,
Cognitive Adaptation and the Well-Being of Widowed Women

Participant/1stAuthor

Brent J. Small, PhD, University of South Florida
Stability and Change in Older Adult Personality Over 6 Years

Participant/1stAuthor

Thao N. Le, MPH, University of California--Davis
Wisdom: What's Love Got to Do With It?

Participant/1stAuthor

T.J. McCallum, PhD, Case Western Reserve University
African American Caregivers and the Sociocultural Stress and Coping Model

Participant/1stAuthor

Ines Schindler, MA, Dresden University,
Development of Personal Life Investment in Old Age and Successful Aging

Participant/1stAuthor

Anita Gupta, MA, Kent State University
 Spousal Emotional Support and Arthritis Patients' Needs for Emotional Independence
 Participant/1stAuthor
 Edna Brown, PhD, University of Michigan--Ann Arbor
 Social Relations and Marital Well-Being Among Black and White Couples
 Participant/1stAuthor
 Michael R. Levenson, PhD, University of California--Davis
 Toward Measuring Wisdom: The Adult Self-Transcendence Inventory (ASTI)
 Participant/1stAuthor
 Bert Hayslip, Jr., PhD, University of North Texas
 Attitudes Toward Mental Health Care Among Rural and Urban Elderly Persons
 Participant/1stAuthor
 Bert Hayslip, Jr., PhD, University of North Texas
 Proximal and Distal Antecedents of Funeral Attitudes: A Multidimensional Analysis
 Participant/1stAuthor
 Linda L. Kelly, MA, University of California--Davis
 Anticipatory Coping in Young Adulthood and Midlife: Findings From the DLS
 Participant/1stAuthor
 Karen Kopera-Frye, PhD, University of Nevada, Reno
 Age Differences in Alcohol Knowledge Among Students, Community Dwellers, And Professionals
 Participant/1stAuthor
 Sophie Guindon, MA, University of Ottawa,
 Linguistic Invariance of Responses to Ryff's Scale of Well-Being
 Participant/1stAuthor
 Daniel Grünh, MA, Max--Planck Institute for Human Development and Education, Berlin,
 Age Differences in Subjective Emotional Reactivity
 Participant/1stAuthor
 Hyoung-Suk Lee, MA, Samsung Biomedical Research Institute, Seoul,
 Standardization Study of QOL for the Old-AD
 Participant/1stAuthor
 Ute Kunzmann, PhD, Max--Planck Institute for Human Development and Education, Berlin,
 Emotional Reactions to Stressful Films: Evidence for Greater Reactivity in Old Age
 Participant/1stAuthor
 Antje Stange, MA, Max--Planck Institute for Human Development and Education, Berlin,
 Perceived Wisdom: The Interplay of Age, Wisdom-Related Knowledge, and Social Behavior
 Participant/1stAuthor
 Toni L. Bisconti, PhD, University of New Hampshire
 Social Support Predicting Intraindividual Variability in the Adjustment to Widowhood
 Participant/1stAuthor
 Kristopher J. Kimbler, BA, West Virginia University
 Predictors of Marital Satisfaction in Long-Term Marriages
 Participant/1stAuthor
 Elizabeth R. Braungart, MS, Penn State University Park
 Evaluating Intraindividual Trajectories of Behavioral and Psychological Symptoms of Dementia
 Participant/1stAuthor
 Jan M. Slater, MA, Wayne State University
 Emotion Stroop and Aging: Comparison Across Emotion Regulation Dimensions

Participant/1stAuthor

Steven J. Sohnle, PsyD, University of Medicine and Dentistry of New Jersey
Influence of Personality Traits on Lifestyle Among Older People

Participant/1stAuthor

Joshua R. Bringle, MS, University of Massachusetts
Tracking Participants in Longitudinal Studies: On Becoming an Online Detective

Participant/1stAuthor

Cory R. Bolkan, MS, Oregon State University
