

ANNOUNCEMENT REGARDING CEMRRAT IMPLEMENTATION GRANTS

As a part of the Association's response to the current economic conditions, the APA Finance Committee and APA Board of Directors have recommended to the APA Council of Representatives that funding of the CEMRRAT Implementation Grant Fund be suspended for one year. The Council's final decision on this matter will be rendered at its meeting in late February. Until this decision is made, no proposals for CEMRRAT Implementation Grants will be accepted.

Updates will be provided as new information is received. Please visit this website periodically.
