Presidential Candidates are required to report any financial support greater than \$200.00 that they received while seeking nomination or election from August 1 of the preceding year of the election through two weeks prior to the start of the president-elect election balloting period. Financial support includes direct money payments, in kind services, advertising on behalf of the candidate, etc. Cash contributions to candidates must be documented with the source of the contribution. This will include support from any individual, group, organization, society, APA Division, State Association or caucus of APA Council. Any honorarium and expenses for travel to present or speak to a group specifically regarding the candidate's nomination or election also must be reported. If there is a question about whether financial support is reportable, it should be reported.

Candidates must sign verifying that the report is complete and submit to the APA Election office no later than July 15. Candidates must not accept contributions after this date. The data will be made available to the membership on the APA Election website.
