ACCREDITED DOCTORAL INTERNSHIP PROGRAMS FOR
TRAINING IN HEALTH SERVICE PSYCHOLOGY: 2019

This is the official listing of APA-accredited doctoral internship programs; it reflects all Commission on
Accreditation (CoA) decisions made through October 20, 2019. The listing of programs accredited in 2019 includes
the program’s name, program address, date of initial accreditation, current accreditation status, and next site visit
year (if a fully accredited program). The next site visit year is not included for accredited, on contingency programs.
A program that is accredited, on contingency must provide outcome data for trainees in the program and program
graduates by the time two cohorts have completed the program. Program review is governed by the Standards of
Accreditation for Health Service Psychology (SoA). The standards for evaluating programs can be obtained from
the APA Office of Program Consultation and Accreditation (OPCA) or at www.apa.org/ed/
accreditation/about/policies/standards-of-accreditation.pdf.

The CoA accepts third-party comment on programs in advance of their next scheduled review. For details on
providing comment, please refer to §4 of the Accreditation Operating Procedures (AOP) by contacting OPCA by
telephone at (202) 336-5979 or by visiting www.apa.org/ed/accreditation/about/policies/operating-
procedures.pdf.

Accreditation is a voluntary process. Programs that have not applied for and received accreditation are not
included in the following list. Programs that have applied for initial accreditation but not yet received a decision
are listed on the OPCA website at www.apa.org/ed/accreditation/programs/initial-accred.aspx. Programs that
have applied for and been noted with the “intent to apply” designation are listed on the OPCA website at
can be found in the AOP and on the OPCA website.

The accreditation status listed for each program is reflective of its status as of October 20, 2019. If a review of a
program is not complete, the program’s prior accreditation status continues to be in effect until the review has
been completed and a final decision has been reached. Programs listed as accredited and accredited, on
contingency have been judged by the CoA to be consistent substantively and procedurally with the SoA. Programs
listed as accredited, inactive have been given this status as they have or are not admitting trainees during the
listed year. Programs listed as accredited, on probation are, in the CoA’s judgment, not currently consistent with all
aspects of the SoA.

To obtain more information on the training aims and approaches of specific programs, the reader should contact
the programs directly.
ALABAMA
University of Alabama at Birmingham, UAB-BVAMC Clinical Psychology Internship Training Consortium
