

**APA Designation Committee for Postdoctoral Education and Training Programs in
Psychopharmacology for Prescriptive Authority
2021 Annual Report**

Board/Committee Members: Julie R. Price, PsyD, MSCP (Chair); Gerardo Rodriguez-Menendez, PhD, ABPP, MSCP (Vice-Chair); Ronald T. Brown, PhD; Richard Gaynor, MD; Elizabeth A. Lonning, PsyD, MSCP; Robert C. Rinaldi, PhD, MA.

Staff Liaison(s): Deborah C. Baker, JD, Practice Directorate; Catherine Grus, PhD, Education Directorate; Allison Gillens, MPS, Education Directorate; Sue Orsillo, PhD, Education Directorate

Application Reviews

The committee reviewed applications for new and continued designation of programs. The committee voted to approve continued designation for Alliant International University's Clinical Psychopharmacology Postdoctoral Master's Program until 2024. The committee voted to grant renewal designation status for a five-year period to New Mexico State University's Master's Program in Clinical Psychopharmacology Program.

The committee's actions of granting designation help serve to elevate the public's understanding of, regard for, and use psychology, as well as prepare the discipline and profession of psychology for the future. Additionally, their actions strengthen APA's authoritative voice in setting standards and guidelines in psychology.
