

**Membership Information for Adlai E. Stevenson Psychology Club
2004-2005**

All students are eligible for membership in Psychology club. We meet every other Wednesday in room 7068. We will also periodically visit Abbott nursing home (three times a semester). Room is limited for the sleep lab and for Abbott Nursing home, those with completed permission forms will be the first selected. All members are expected to attend at least 80% of the meetings, unless involved with some other school sponsored activity. We will create a list-serve to keep members updated on all upcoming events.

For questions that occur over the course of the year feel free to contact any of the sponsors in the Social Studies office in room 7080.

Ms. Brandt

Ms. Neuberger

Mr. Kirchoff

We welcome ideas and input from all members, please let us know how you feel about the activities. This is your club, please play a role in what we do????
