AMERICAN  
PSYCHOLOGICAL  
ASSOCIATION

BANGLADESH  
CLINICAL  
PSYCHOLOGY  
SOCIETY

Bangladesh Psychological Association (BPA)

THE AMERICAN PSYCHOLOGICAL ASSOCIATION (APA), THE BANGLADESH CLINICAL PSYCHOLOGY SOCIETY (BCPS), AND THE BANGLADESH PSYCHOLOGICAL ASSOCIATION (BPA) AGREE AS FOLLOWS

**WHEREAS,**

the Bylaws of the APA and the Statutes of the BCPS and BPA share mutual objectives calling for the advancement of the discipline in the public interest; and

**WHEREAS,**

it is desirable to have integration and exchange between the psychological organizations in the United States and Bangladesh; and

**WHEREAS,**

mutual concerns make it likely that occasions for joint consultation and cooperation will present themselves in the years to come; and

**WHEREAS,**

both organizations wish to anticipate such occasions by establishing a framework, when possible, for their timely discussion;

**NOW THEREFORE,**

the APA, the BCPS, and the BPA affirm and reaffirm their working relations in this Memorandum of Understanding.

**FURTHERMORE,**

pursuant to this Memorandum of Understanding, the executives of the APA, the BCPS, and the BPA shall maintain regular communication to discuss matters of common concern.

**FINALLY,**

the APA, the BCPS, and the BPA will seek to identify projects and activities in which they may work together, assist or support one another, or otherwise cooperate for the betterment of psychology and the public interest.
