AND

THE NICARAGUAN ASSOCIATION FOR
THE DEVELOPMENT OF PSYCHOLOGY (ANDEPSI)

AMERICAN
PSYCHOLOGICAL
ASSOCIATION

THE AMERICAN PSYCHOLOGICAL ASSOCIATION (APA) AND THE
NICARAGUAN ASSOCIATION FOR THE DEVELOPMENT OF PSYCHOLOGY
(ANDEPSI) AGREE AS FOLLOWS

WHEREAS,

the Bylaws of the APA and the Statutes of the ANDEPSI share mutual objectives calling for the advancement of the discipline in the public interest; and

WHEREAS,

it is desirable to have integration and exchange between the psychological organizations in the United States and Nicaragua; and

WHEREAS,

mutual concerns make it likely that occasions for joint consultation and cooperation will present themselves in the years to come; and

WHEREAS,

both organizations wish to anticipate such occasions by establishing a framework, when possible, for their timely discussion;

NOW THEREFORE,

the APA and the ANDEPSI affirm and reaffirm their working relations in this Memorandum of Understanding.

FURTHERMORE,

pursuant to this Memorandum of Understanding, the executives of the APA and the ANDEPSI shall maintain regular communication to discuss matters of common concern.

FINALLY,

the APA and the ANDEPSI will seek to identify projects and activities in which they may work together, assist or support one another, or otherwise cooperate for the betterment of psychology and the public interest.
