

*Memorandum of Agreement*  
*Between*  
*The American Psychological Association*  
*and*  
*The Order of Psychologists in Portugal*

*The* American Psychological Association (APA) and the Ordem dos Psicólogos Portugueses agree as follows:

*Whereas*, the bylaws of APA and the bylaws of the Ordem dos Psicólogos Portugueses share mutual objectives calling for the advancement of the discipline in the public interest; and

*Whereas*, it is desirable to have integration and exchange between the psychological organizations in the United States and Portugal; and

*Whereas*, mutual concerns make it likely that occasions for joint consultation and cooperation will present themselves in the years to come; and

*Whereas*, both organizations wish to anticipate such occasions by establishing a framework, when possible, for their timely discussion;

*Now therefore*, APA and the Ordem dos Psicólogos Portugueses affirm and reaffirm their working relations in this Memorandum of Understanding.

*Furthermore*, pursuant to this Memorandum of Understanding, the executives of APA and the Ordem dos Psicólogos Portugueses shall maintain regular communication to discuss matters of common concern.

*Finally*, APA and the Ordem dos Psicólogos Portugueses will seek to identify projects and activities in which they may work together, assist or support one another, or otherwise cooperate for the betterment of psychology and the public interest.
