

Copyright Registration Service

Protect your creativity

Register your copyright to protect your work against infringement

Your creative works are treasures worth protecting. Registering your copyright can help you do that by establishing an ownership claim with the United States Copyright Office. Applying for registration is also necessary if you ever wish to file an infringement suit in federal court. Our Copyright Registration service simplifies the filing process and helps ensure your work is properly protected.

Copyright Registration service includes:

- 1 Simple, easy-to-understand registration process.** Our online process is very straightforward and our Customer Care team is always there to help if you have questions.
- 2 Peace of Mind Review™.** After you complete your application, we perform automated checks and a personal review for completeness and consistency.
- 3 Filing and notification.** We will file your application, along with copies of your original work, with the United States Copyright Office (USCO) and notify you when your application has been received and processed.
- 4 Lifetime customer support.** Even after your application is filed, we're here to help you with any questions or concerns that you may have.

How It Helps

Benefits of our Copyright Registration service:

Eliminates guesswork. We make the filing and registration process simple and quick. Just answer a few questions online, submit a copy (or copies) of your original work, and you're good to go.

Ensures peace of mind. We check your submission for consistency and completeness, collect copies of your original work, file everything with the U.S. Copyright Office, and notify you when it has been received and processed.

Provides an affordable path to copyright registration. You pay one set price and don't have to worry about any hidden fees.

Unparalleled quality and expertise. Our Copyright Registration service is designed and maintained by a team of experienced attorneys.

100% satisfaction guarantee. We guarantee your satisfaction with our service. If you aren't fully satisfied, please contact us and we will make things right.

How It Works

Here's what to expect:

- You answer a few simple questions online.
- You send in a copy (or copies) of your original work. Requirements vary depending on the type of work you're registering, and we'll let you know what you need to submit.
- Once we receive your completed questionnaire and copies of your work, we check your submission for consistency and completeness and file your application with the USCO.
- We notify you when your application has been received and processed, and are here to help you with any basic issues or questions that may come up.

"The process was fast, easy to understand, and fit my needs perfectly as a first-time copyright applicant."

Richard P., Norfolk, MA

"I have filed many copyright applications myself, with the U.S. Copyright Office, but it's a major hassle. LegalZoom does everything for you. It's great. I will use their service again in the near future."

Carl S., Westland, MI
