

Fellowship Criteria

Division 44

Society for the Psychology of Sexual Orientation and Gender Diversity

The Society for the Psychology of Sexual Orientation and Gender Diversity Division 44 requires members who receive Fellow status to have made outstanding contributions in research, practice, education, or policy/advocacy related to the lives and issues of 2-Spirit, Lesbian, Gay, Bisexual, Transgender, Non-binary, Queer, and other sexual orientation and gender diverse (2SLGBTQ+) individuals and communities. It is important to underscore the breadth of contributions that our division will consider as criteria for Fellow status. These contributions need to have had national or international impact.
