

## **Fellowship Criteria**

### **Division 49**

#### **Group Psychology and Group Psychotherapy**

A Member nominated for Fellow status in Division 49 must:

- Meet the minimum standards for Fellow status established under the APA Bylaws;
- Have been a Member of the Division for at least one year;
- Have made an outstanding and documented contribution to the science, teaching and/or research of group psychology and/or the practice of group psychotherapy;
- Be endorsed by three APA Fellows, including two Fellows within the Division, when deemed feasible by the present Committee on Fellows.
- A two-thirds (2/3) vote of the Fellows Committee shall be required to constitute a recommendation to the Board.
