

Liaisons to the APA 2010 Presidential Task Force on Caregivers

Given the breadth of the *Caregiver Briefcase* project (<http://www.apa.org/pi/about/publications/caregivers/>), APA Boards, Committees, Divisions, and Ethnic Minority Psychological Associations were asked to appoint liaisons to the Presidential Task Force. Liaisons from 31 Divisions, 21 Boards and Committees and one Ethnic Minority Psychological Association provided input to the Task Force to assure that the needs and resources of their constituent groups were addressed within the Briefcase.
