

APA Handbooks in Psychology®

AUTHORITATIVE, DRM-FREE ELECTRONIC REFERENCE BOOKS
DETAILING A VARIETY OF PSYCHOLOGY SUB-FIELDS

This series of ehandbooks enables readers to grasp core and evolving subject matter on a wide variety of topics across the behavioral and social sciences.

- Topic-specific compendiums offer complete analysis and thorough study of specific areas of research—presenting detailed and practical information with each chapter.
- Many APA Handbooks explore topics over multiple volumes, while similar texts are often delivered as textbooks or monographs.
- APA's extensive peer-review process ensures academic and scholarly excellence.

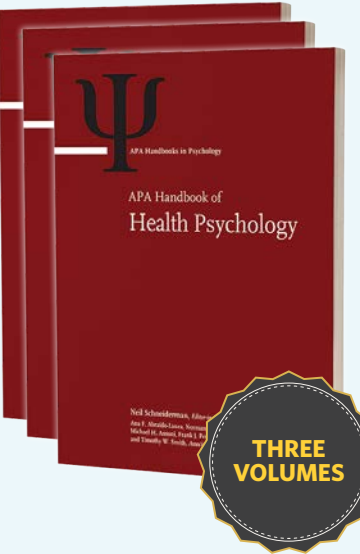

WHAT DOES MY INSTITUTION GET WITH AN APA HANDBOOKS SUBSCRIPTION?

- **DOI links** to each citation indexed in APA PsycInfo®
- **Chapter-level** full-text access
- Expandable view of each chapter's **abstract** and complete **reference list**
