

Manuscripts included in the meta-analyses reported in Chapters 2–10 of *Foundations of Multicultural Psychology: Research to Inform Effective Practice* by Timothy B. Smith and Joseph E. Trimble¹

Chapter 2

Multicultural Education/Training and Experience: A Meta-Analysis of Surveys and Outcome Studies

47 Outcome Studies

- Aoki, D. M. (2000). *The impact of a multicultural counseling training course on students' multicultural identity development levels* (Unpublished doctoral dissertation). University of Denver, Denver, CO.
- Barbarin, O.A. (1984). Racial themes in psychotherapy with Blacks: Effects of training on attitudes of Black and White psychiatrists. *The American Journal of Social Psychiatry*, IV,1, 13–20.
- Barise, A. (1998). *The effectiveness of case-based instruction vs. the lecture–discussion method in multicultural social work* (Unpublished doctoral dissertation). McGill University, Montreal, Quebec, Canada.
- Berg, D. A. (2000). *Master's level multicultural training for school and mental health counselors: Effects on perceived levels of multicultural competence* (Unpublished doctoral dissertation). Cleveland State University, Cleveland, OH.
- Brooks, G. S., & Kahn, S. E. (1990). Evaluation of a course in gender and cultural issues. *Counselor Education and Supervision*, 30, 67–75.
- Brown, S. P., Parham, T. A., & Yonker, R. (1996). Influence of a cross-cultural training course on racial identity attitudes of white women and men: Preliminary perspectives. *Journal of Counseling & Development*, 74, 510–516.

- Callo, E. A. V. (2002). *The impact of the experiential multicultural counseling training program on counselor trainee cross-cultural competence* (Unpublished doctoral dissertation). University of San Francisco, San Francisco, CA.
- Cameron, S. (1989). *An analysis of multicultural counseling courses: Selected outcomes* (Unpublished master's thesis). Purdue University, Lafayette, IN.
- Castillo, L. G., Brossart, D. F., Reyes, C. J., Conoley, C. W., & Phoummarath, M. J. (2007). The influence of multicultural training on perceived multicultural counseling competencies and implicit racial prejudice. *Journal of Multicultural Counseling and Development*, 35(4), 243–254.
- Christensen, C. P. (1984). Effects of cross cultural training on helper responder. *Counselor Education and Supervision*, 23, 311–320.
- D'Andrea, M., Daniels, J., & Heck, R. (1991). Evaluating the impact of multicultural training. *Journal of Counseling & Development*, 70, 143–150.
- Diaz-Lazaro, C.M. & Cohen, B.B. (2001). Cross-cultural contact in counseling training. *Journal of Multicultural Counseling and Development*, 29, 41–55.
- Estrada, A.U., Durlak, J.A., & Juarez, S.C. (2002). Developing multicultural counseling competencies in undergraduate students. *Journal of Multicultural Counseling and Development*, 30, 110–123.
- Evans, L. A., Acosta, F. X., Yamamoto, J., & Skilbeck, W. M. (1984). Orienting psychotherapists to better serve low income and minority patients. *Journal of Clinical Psychology*, 40(1), 90–96.

- Field, L. F. (1990). *The effect of multicultural counseling training on multicultural sensitivity of graduate students* (Unpublished doctoral dissertation). Indiana State University, Terre Haute.
- Gibbon, C. A. (2005). *Effects of worldview assessment training on counselor's perceived multicultural counseling competence and counseling efficacy* (Unpublished doctoral dissertation). University of Nebraska, Lincoln.
- Gompertz, K. A. (1997). *Comparison study of multicultural training models on counselors' level of multicultural competence* (Unpublished doctoral dissertation). Idaho State University, Pocatello.
- Harris, T. L., McQuery, J., Raab, B., & Elmore, S. (2008). Multicultural psychiatric education: Using the *DSM-IV-TR* outline for cultural formulation to improve resident cultural competence. *Academic Psychiatry*, 32(4), 306–312.
- Jackson, M. (1999). *Stereotype reversal and triad methods of counselor training: expanding perspective taking in conceptualizing presenting problems of racial/ethnic minority clients* (Unpublished doctoral dissertation). Stanford University, Palo Alto, CA.
- Jones, S.B (2001). *Examining the relationship between a small experiential group experience and perceived multicultural counseling competency across three universities* (Unpublished master's thesis). Pennsylvania State University, University Park.
- Keim, J., Warring, D. F., & Rau, R. (2001). Impact of multicultural training on school psychology and education students. *Journal of Instructional Psychology*, 28, 249–252.
- Klausner, M. B. (1997). *Multicultural training in graduate psychology programs: Impacts and implications* (Unpublished doctoral dissertation). Chicago School of Professional Psychology, Chicago, IL

- Lefley, H. P. (1985). Impact of cross-cultural training on black and white mental health professionals. *International Journal of Intercultural Relations*, 9, 305–318.
- Manis, A. A. (2008). *Promoting multicultural and advocacy competence in counselor trainees: Testing a critical pedagogical intervention* (Unpublished doctoral dissertation). University of Virginia, Charlottesville.
- McFadden, J. (1973). *An investigation to determine the effects of two group training methods on racial prejudice* (Unpublished doctoral dissertation). University of South Carolina, Columbia.
- Murphy, M. J., Park, J., & Londsedale, N. J. (2006). Marriage and family therapy students' change in multicultural counseling competencies after a diversity course. *Contemporary Family Therapy*, 28(3), 303–311.
- Neville, H. A., Heppner, M. J., Louie, C. E., Thompson, C. E., Brooks, L., Baker, C. E. (1996). The impact of multicultural training on White racial identity attitudes and therapy competencies. *Professional Psychology: Research and Practice*, 27, 83–89.
