The WebDTA tool should be used in conjunction with the **Virtual Center for Language Acquisition (VCLA)** principles for best practices and its Virtual Linguistics Lab (VLL), accessible through the **VLL web portal**.

The VLL portal provides a **VCLA Research Methods Manual** and a **DTA User's Manual**, both of which should be used in conjunction with the WebDTA tool.

Here are the WebDTA tool's **history** and **copyright information**.

To obtain access to the WebDTA tool and the VLL portal, contact **Barbara Lust** and/or **María Blume**.
