Waffle knows what she likes...

beaches more than mountains,

stars more than clouds,

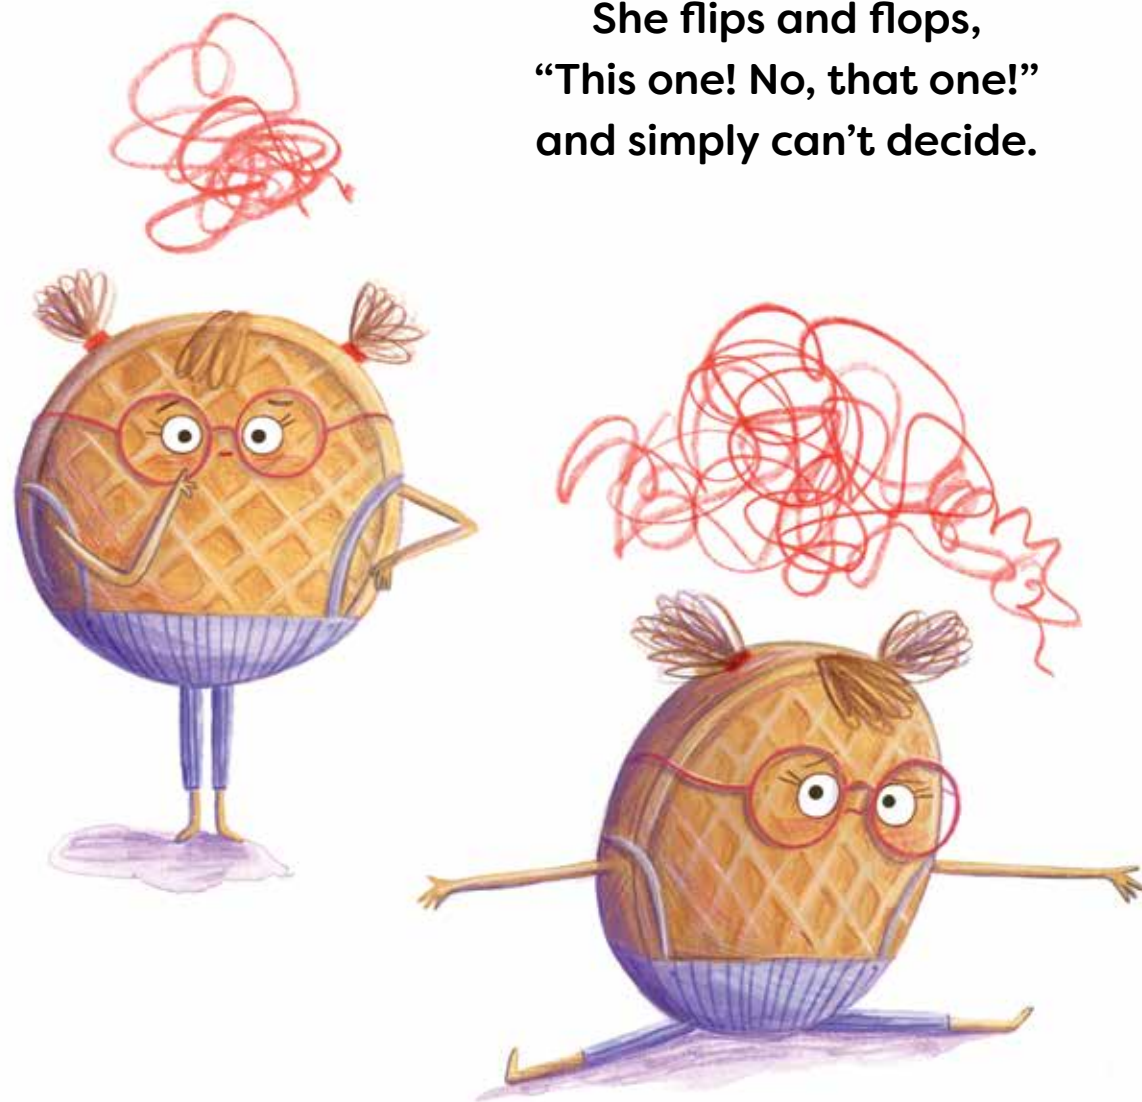

and weeds more than flowers.

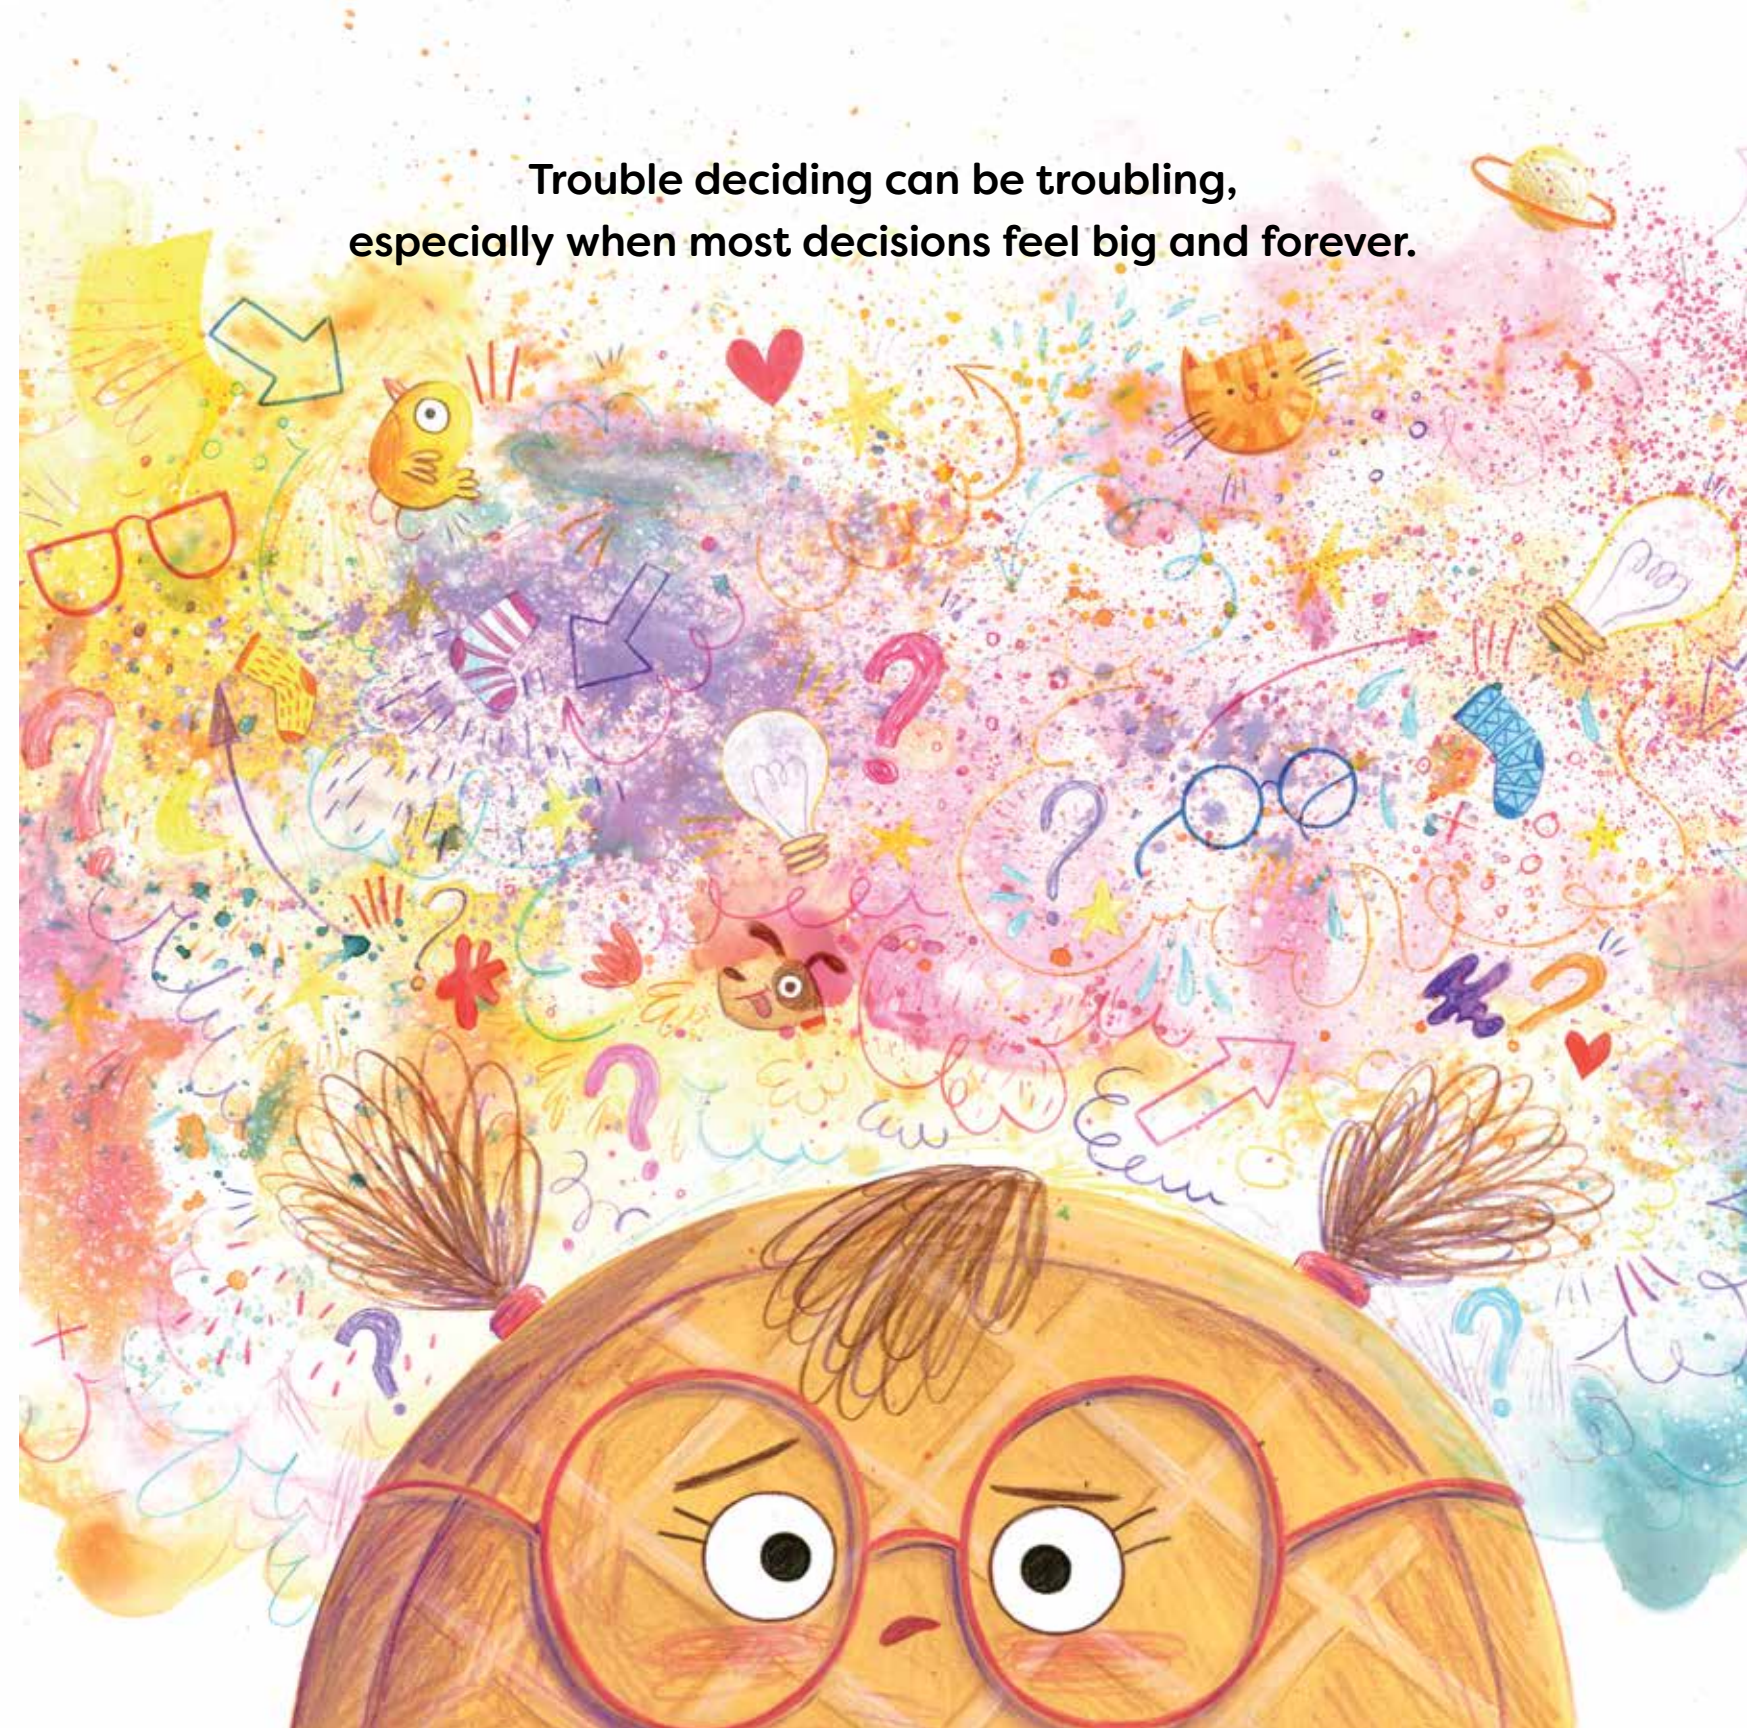

But other choices aren't so easy,
and for those, she waffles.

She hems and haws,
"Which one should I choose?"

She flips and flops,
"This one! No, that one!"
and simply can't decide.

Trouble deciding can be troubling,
especially when most decisions feel big and forever.

Oops! Taking too long to choose means being late for school.

**Oops! Taking too long to choose
means choices disappear.**
