In a nest, in a tree, Baby Bird lives with Mama Bird,
Papa Bird, and a whole lot of worry.

Mostly Baby Bird worries when Papa Bird comes home.

Sometimes Papa Bird
comes home too loud.

Sometimes Papa Bird
comes home too quiet.

Sometimes Papa Bird comes
home too ... different.

Well, different from the
other papa birds anyway.

And sometimes Papa Bird
doesn't come home at all.

That's when Baby Bird
worries about Mama.

If only Baby Bird could make Papa Bird come home happy, everything would be better.

Sometimes it's all Baby Bird thinks about.
