ANI'S LIGHT

On a night when
the moon shone
and little specks
of light danced
on the ceiling,
Ani lay awake.

"It's dark,"
he said.

When morning came
and the sun peeped in,
he whispered,

“It’s dark.
Still dark.”

"What a bright, sunny day it is!"
said Nani. "Just right for
some ice cream!"

"Woof!" said Dobby.

Ani said nothing.

Everything had lost its color?
