# BABY BLUE

by Judi Abbot

Magination Press • Washington, DC  
American Psychological Association

There is a book that has a special place in my heart. *Baby Blue* is a humble tribute to the strong messages and the simple beauty of *Little Blue and Little Yellow* by L. Lionni.

A big thank you to him and to all the people who helped me in this long creation journey.  
And to all the Baby Blue, Yellow, Pink, Purple, Red, Orange, Green...

This is Baby Blue.

Baby Blue lived by himself in a beautiful, blue world

surrounded by beautiful blue trees, flowers, and birds.

When Baby Blue was tired, the dark,  
blue Night gently cuddled him to sleep.

“Goodnight, Baby Blue,”  
Night whispered.

“Goodnight, Night,”  
Baby Blue replied.

One day Baby Blue was racing the blue birds on his bike.

But he didn't notice a big, blue stone on the ground.
