a box of *Butterflies*

“...and they all lived happily ever after. The end,” said Robot.

“I love that story,” said Ruby. “Did you love it too?”

“Robot is just a machine. Robot cannot feel love.”

Robot paused for a moment and said,

“What does love feel like?”

Ruby replied, “*Love feels...*”

“...like a box of butterflies.”

“...like a colorful dancing kite!”

“...like drinking in a sunset.”

“...like a firefly in the night.”

“Where does
love come from?”
asked Robot.

“It comes
from inside,”
said Ruby.

“I can’t
see anything,”
said Robot.

“You can’t see it. Only *feel* it!”
said Ruby.

“It’s an emotion. You might feel
other ones, too.”
