Lucy was a lightning bug.

... and the most talented
flyer in the squad.

She could perform perfect loop-da-loops ...

and zig-zag through the trees at terrific speed!

ZOOM!

Everyone was very impressed.

One day, Miss Sparks had some news.

“It’s time to learn ... **NIGHT** flying!” she said.

“Practice is at sunset.”

Everyone was **very** excited.

Everyone except Lucy.

Because, Lucy was a lightning bug
who **didn’t** light up ... not even a flicker!
