

Peanut Butter & Jellyous

...sometimes friendships get sticky

by Michael Genhart

illustrated by Steve Mack

Most days I feel pretty smooth.

BURRRP!

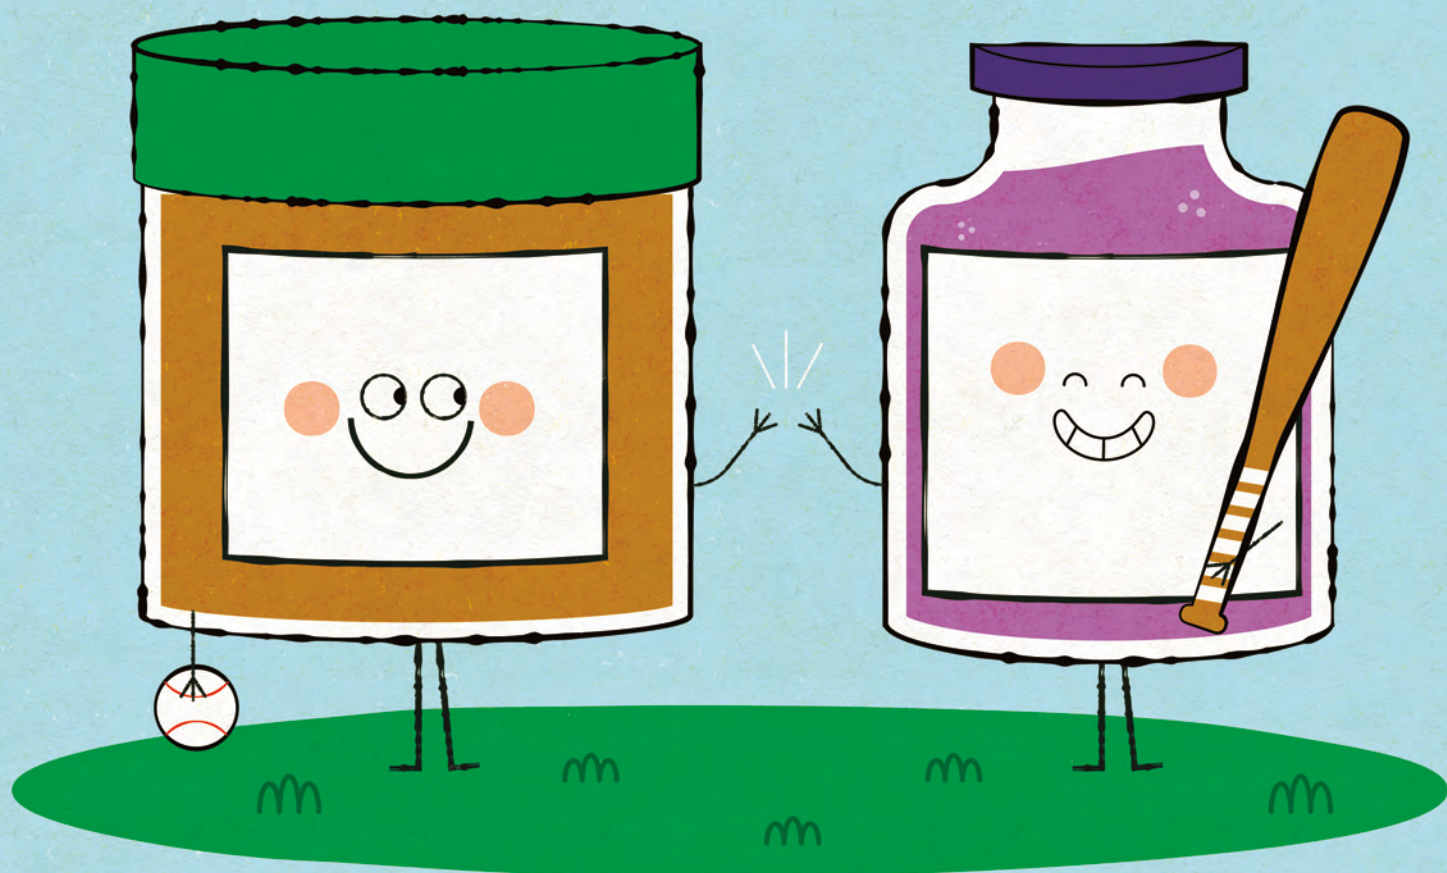

Sometimes I can be extra nutty.

And on tough days, I can be kind of crunchy.

But with my best friend, Jelly, well, we make quite a combo.

She is very sweet.

She adds color and flavor to whatever we do.

Peanut Butter & Jellyous

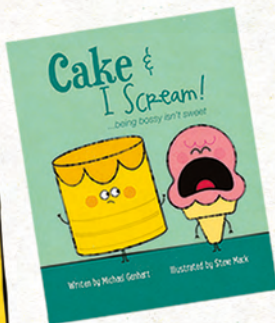

...sometimes friendships get sticky

Peanut Butter and Jelly. Jelly and Peanut Butter.
They are ALWAYS together!

But when Peanut Butter starts hanging out with other friends,
Jelly flips her lid. Find out how these two best friends learn to
stick together...while making room for new friends!

Includes a Note to Parents, Caregivers, and Educators.
