

STICKLEY STICKS TO IT!

A Frog's Guide
to Getting Things Done

by Brenda S. Miles

illustrated by Steve Mack

Copyrighted Material

Meet **STICKLEY**. He's a frog.
Every day he wears shorts
and a fancy bowtie.

Stickley's toes are **STICKY**, and they work like suction cups. But Stickley is a frog, so sticky toes make sense.

Stickley has a gift.
It's called **STICK-TO-IT-NESS**.

He can stick to windows and
ceilings—even under **PLATES!**

But he upset guests in a
fancy restaurant once, so
he **NEVER** did that again!

Sometimes stick-to-it-ness **annoys** Stickley—like when he kicks a soccer ball and it stays stuck on his toes.

Surfing can be tricky, too, when the waves are **GIGANTIC** and he can't ditch his surfboard.

Stickley's **TOES**
aren't the only way
he sticks to things.

Stickley's
ATTITUDE helps
him stick to things,
too, like projects
and goals.

And that makes stick-to-it-ness mostly **great** because
it helps Stickley get things done.

SCIENCE FAIR

Stickley tries his best and never gives up—even when
work is hard—and that's a **Big** part of stick-to-it-ness.

STICKLEY STICKS TO IT!

A Frog's Guide to Getting Things Done

Stickley the frog has the gift of *stick-to-it-ness*. His sticky toes help him stick to windows, ceilings, and surfboards—even under plates!

But Stickley's toes aren't the only way he sticks to things. His attitude helps him stick with projects—no matter how frustrating or hard they may be—so he can reach his goals.

Read about Stickley and learn how he makes a plan, sticks to it, and gets things done!

Includes a Note to Parents, Caregivers, and Teachers with more information about perseverance and strategies for boosting stick-to-it-ness in kids.
