Multiple Levels of Trauma

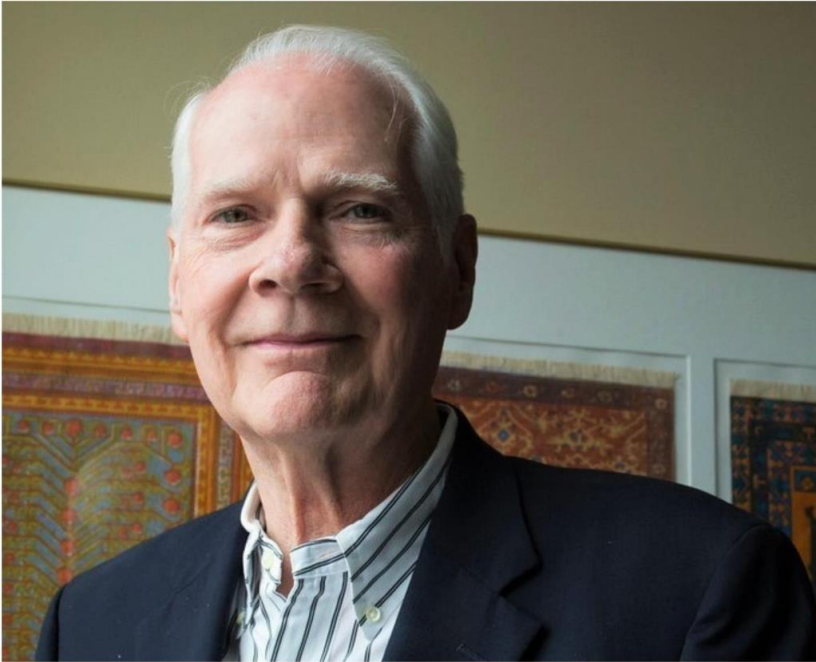

Psychological toll of COVID-19 pandemic, unemployment, mobilization against racism.

Leaders can help – communicate effectively, acknowledging importance of mental health and leading by example (self-care).

Tap into resources in your community that already exist to help people.

Arthur C. Evans, Jr., PhD, CEO and EVP,
American Psychological Association

Partnerships are Essential

COVID-19 amplifies existing trauma and behavioral health needs.

What the **behavioral health landscape** looks like right now.

Behavioral health **funding, resources, and needs** in cities and counties.

Ron Manderscheid, PhD, Executive Director,
National Association of County Behavioral Health
& Developmental Disability Directors and
National Association for Rural Mental Health

Meeting the Needs of Residents

Higher rates of stress and trauma experienced by homeless and unsheltered individuals.

Trauma Informed Care Coalition led by city and working with partners.

Managing shifting resources to support vulnerable residents.

Melody Woosley, Director, Department of Human Services,
City of San Antonio

Discussion & Questions

Type your question into the “Questions” box on the webinar control panel. The presenters will answer questions as time allows.
