Note: Salaries for faculty and independent practice are reported on a 9-10-month and 11-12-month basis, respectively. Conversions from a 9-10-month to 11-12-month period can be done by multiplying by 11/9. Converting from 11-12-month salaries to 9-10-month salaries can be done by multiplying by 9/11.

The above statistics do not account for regional differences in cost of living.
