Note. Salaries for faculty and independent practice are reported on a 9-10-month and 11-12-month basis, respectively. Conversion from a 9-10-month to 11-12-month period can be accomplished by multiplying by 11/9. Conversion from 11-12-month salaries to 9-10-month salaries can be done by multiplying by 9/11. The above statistics do not account for regional differences in cost of living. Those metropolitan areas with an N less than 5 have been excluded.
