

Table 13
Service to Underserved Populations and Number of Clients Treated during the Last Typical Month by Psychology Health Service Providers: 2008

Underserved Population	N	%	Median	Mean	SD	Minimum	Maximum
Disabled	3,210	62.6	5.0	12.2	20.05	1	280
HIV	692	13.5	2.0	3.5	6.56	1	100
Homeless	781	15.2	3.0	7.0	12.92	1	160
Immigrant populations	1,346	26.2	3.0	6.3	12.55	1	300
Undocumented immigrants	403	7.9	2.0	5.5	8.11	1	80
Gay/Lesbian/Bisexual	2,658	51.8	2.0	4.0	5.85	1	100
Low income	3,530	68.8	8.0	15.5	20.95	1	300
Medicaid	1,857	36.2	10.0	15.8	20.97	1	300
Seriously mentally ill	2,950	57.5	4.0	10.3	17.91	1	300
Returning service members	859	16.7	3.0	10.8	21.83	1	200
Rural	1,332	26.0	8.0	18.0	25.87	1	300
Other	301	5.9	15.0	27.2	29.60	1	100

Notes: N=5,131. Missing values were excluded prior to analysis. N values represent the number of respondents providing service to at least 1 client within that category. Measures of central tendency are based on the number of clients equal to or greater than 1.
