Note. All salaries are 9-10-month salaries. * indicates there was an insufficient *N* of faculty for analysis. "All ranks" column includes faculty whose academic rank was not specified. Percentage changes in monetary terms are measured in current dollars. Percentage changes in real terms reflect the percentage increase in monetary terms adjusted for the percentage change in the Consumer Price Index reported by the Bureau of Labor Statistics. The percentage change was +1.2% for the period from September 2012 to September 2013.
