Source: 1996 Master's, Specialist's, and Related Degrees Employment Survey, APA Research Office.

Note. Percentages are row percentages.

^a "Employed" column excludes respondents enrolled in graduate school.

^b Includes 319 respondents who reported employment in addition to being enrolled in further graduate study.

^c Total column includes 4 respondents who did not specify their employment or enrollment status; therefore, row percentages may not total 100%.
